Croquetes de rostit

Roast croquettes

La carn del farcit s'ha rostit a foc lent per obtenir un sabor intens. Un toc de beixamel, que en fa la textura més melosa, i l'arrebossat li donen un autèntic gust casolà.

The stuffing meat has been roasted in a low heat to obtain an intense taste. A touch of béchamel sauce, which adds a creamy texture, and breadcrumbs give them an authentic homemade taste.
