Nuggets de formatge i xoriço

Cheese and chorizo nuggets

Buscàvem nous sabors per ampliar la gamma de nuggets, sabors potents com la combinació de formatge i xoriço. En aquest cas, hem optat per un arrebossat a base de pa ratllat. Us sorprendrà.

We searched for new, powerful flavours to widen our nugget range, like this chorizo and cheese combination. We have opted for coating them in breadcrumbs. You will be surprised.
